ORDER

This case was on the Court's November 17, 2014 trial calendar for Los Angeles, California. Although a very large deficiency is at stake, it raises mostly valuation questions. The parties have again reported that they are cooperating in informal discovery and trying to settle as many issues as possible at IRS Appeals. They reasonably ask to report again in the summer, and it is

ORDERED that on or before July 2, 2015 the parties shall file a status report describing their progress in settling the case or narrowing the issues to be tried.
